REFERRAL DISCOUNT PROGRAM

As we continue to grow, we have realized that the greatest source of new clients comes from the referrals of our present clientele. The greatest compliment that one of our clients can give us is to recommend our hospital to one of their family, friends, colleagues, or associates.

We greatly value the confidence that our clients have in us and in gratitude for this we gladly provide discounts for client referrals. For each new client that visits our office for veterinary service and presents the completed referral coupon below, the referring client will be given a 10% service discount on their next visit to our practice. Maximum 10% service discount per visit. We know that if we continue to excel in the levels of service and care that we provide our clients, our practice will continue to thrive.

LASHLEY ANIMAL HOSPITAL REFERRAL DISCOUNT PROGRAM

I was referred by _____ of _____
_____, _____, Illinois. Please give them a
10% service discount on their next visit.

(Maximum 10% service discount per visit. Not redeemable with any other offers.)
